The Fauquier County Sheriff's Office is seeking information regarding a series of daytime residential burglaries that occurred between Friday, February 3, 2017 and Thursday, February 9, 2017 between the Warrenton and Upperville area.

Forced entry was made into the residences. A newer model white four-door sedan, possibly a 2016 Nissan Sentra, was witnessed in the area and is a suspicious vehicle of interest. The vehicle was occupied by a thin black male, approximately 40 years old. The male was last seen wearing a green jacket, brown work pants that appeared dirty, boots, and a navy stocking cap.

Investigation has linked similar burglaries with the same suspect in Loudoun County, and possibly Clarke County.

Anyone that has additional information or witnessed any suspicious activity is urged to contact the Fauquier County Sheriff's Office immediately at 540-347-3300. A caller's identity may remain anonymous.
